(Estate's First Court account at Book 467 pages 191 through 196)

To expose accounting fraud it is necessary to expose the accounting. Please connect these dots and imagine the cumulative effects of:

- (1) The dot for the accounting trails at bk467p191 being concealed for twenty years.**
- (2) The dot for killing the messenger who has been trying to expose bk467p191 for twenty years.**
- (3) The dot for all the judgments made without exposing bk467p191 for twenty years.**

Exposing these accounting trails would lead to all you need to know.

Not Reported

\$125,188

April 21, 1991

The April 21, 1991, payment of \$125,188 from the Lynch note to Jean O'Connell was not reported to the IRS. In my May 29, 1992, letter to Edward White I said it was taxable and should be reported, and he reported it on an amended return. Can we expose the accounting trail for the April 21, 1991, payment of \$125,188?

These accounting trails are covered by confusion and conflict (sometimes called "accounting entanglements" or "659's" here) created by the CPA Joanne L. Barnes.

The cash payment of an estimated \$545,820 paid to the Estate on April 21, 1992, for the full payoff of the Lynch Note was not recorded except for the \$26,917.17 in interest. Why is the disappearance of this estimated \$545,820 payment not recognized? Why is the disappearance of the Lynch note between the First and Second Estate Accounts not recognized?

NOTES:

1. Decedent had a POD account in Hallmark Bank with Jean Nader. The bank erroneously paid the amount to the estate. This figure is the interest earned on that sum while in the estate account.
2. This represents interest earned in the estate account on the amount of the disbursement while the disbursal was delayed. This is to equalize the disbursements among the legatees.
3. Estimated tax was paid with an extension request.
4. Expenses incurred due to lost Nuveen certificate of ownership.

5. Decedent owned a partial interest in 15 acres of land in Accotink. The Harold O'Connell Trust owned the other share. The estate agreed to pay for the appraisal which hopefully will reduce the value of the tract by 50%. The beneficiaries of the Trust are the same persons as the devisees under the will and in the same shares.

6. When the 1991 income tax was prepared by Edward J. White, Co-Executor, a large capital gain was omitted necessitating the filing of an amended return. \$526.55 was assessed in interest by the IRS. The figure is the amount of interest earned by the estate while the amount due the IRS was in the estate bank account. The balance of the interest assessment was paid by Edward J. White.

7. Jean M. Nader and Sheila O'Connell-Shevenell agreed that the vehicle should be disbursed to Anthony M. O'Connell in addition to his 1/3 share of the remainder of the estate.

"Lynch properties note 518,903.26" at bk467p191.
"Int Lynch Prop Note DOD-4/21/92 26,917.17" at bk467p192

This is an example of making money disappear. A cash payment of approximately \$545,820.43 was made to the Estate on April 21, 1992, for the full payoff of the Lynch Note. But it was not reported. Only the interest of \$27,917.17 is reported. The note continues to be reported to the State and the IRS as late as April 10, 1995, as if it were still on schedule to mature on April 21, 1995. The Lynch Note disappears between the First and Second Estate Court Accounts without explanation.

Missing

\$545,820

April 21, 1992

The accountants do not mention the cash payment of \$545,820 to the Estate from the payoff of Lynch Note 1 on April 21, 1992, and the payment does not show in the accountings or tax returns.

When the accountants told the beneficiaries that the Lynch note would not produce any capital gain, I told them that it would and the taxes were paid. At that time I did not know that they were not reporting the \$545,820 payment. So strangely, the payment was not reported but the taxes on the payment were paid.

Can we expose the accounting trails of the \$545,820 payment?

Missing

\$70,051

June 11, 1992

There are two versions of the extension request (IRS Form 4768) and two version of the estate tax return (IRS Form 760) with the same dates but for different amounts. One version says \$175,000 was paid to the IRS on June 11, 1992, and one version says i\$119,000 was paid to the IRS on June 11, 1992. There should only be one version. The \$70,051 over payment reported on the \$175,000 version disappears from the accounting.

Can we expose the accounting trail of the \$70.051?

Re: Estate of Jean M. O'Connell 

Dear Mr. O'Connell,

In your letter of May 6 to Jean you asked that I communicate with you with regard to the Harold O'Connell Trust.

I am trying to prepare the estate tax, and as usual in these cases, there are problems trying to understand the flow of debts and income.

I do have a few questions which are put forward simply so that the figures on the Trust's tax returns and accounting will agree with the estate's.

1. The K-1 filed by the Trust for 1991 showed income to your mother of \$41,446.00. The Seventh Accounting appears to show a disbursement to her of \$40,000.00 plus first half realty taxes paid by the trust for her and thus a disbursement to her of \$1794.89. If these two disbursements are added the sum is \$41,794.89. This leaves \$348.89 which I cannot figure out. It could well be a disbursement of principal and not taxable.

 2. The K-1 filed by the Trust showed a payment of \$816.00 in interest to the estate. You sent a check in the amount of \$1475.97 to the estate. What was the remaining \$659.97? Do I have this confused with the tax debt/credit situation which ran from the Third Accounting?

3. On the Seventh Accounting "Income per 7th Account" is shown as \$5181.71, but I cannot figure that one out either.

I am of the opinion that the estate owes the trust for the second half real estate taxes from September 15, 1991 through December 31, 1991 in the amount of \$1052.35. This is shown on your accounting as disbursed to the heirs. Should this be paid back to the heirs or to the Trust?

I believe that the income received from the savings accounts

Page 2
Ltr to Mr. Anthony M. O'Connell
May 19, 1992

from September 15 to the date the various banks made their next payment to the Trust (9/30 and 9/21) should be split on a per diem basis, since the Trust terminated on her death. This will be a small amount of course.

Are there any other debts which your Mother owed the Trust?

I realize that Jo Ann Barnes prepared this and if you authorize it I can ask her to help me out.

Please understand that I have no problem with the Accounting, I m just trying to match things up. In the long run, since the beneficiaries are the same, the matter is academic.

Please send the bill for the appraisal whenever you receive it. Jean is filing the Fairfax form for re-assessment in her capacity as a co-owner in order to give us a better basis to get this assessment changed and to meet the county's deadline. It will state that the appraisal you have ordered will follow. I think this will be to all of your benefit in the long run.

Sincerely,

Edward J. White

Why not find the CPA Joanne L. Barnes (EIN 541040148 and SSN 579-44-3240?) who did this accounting and have her answer Mr. White's questions?

This letter framing the Trustee with confusion and conflict created by the CPA diverts attention from:

"Lynch properties note 518,903.26" at bk467p191.
"Int Lynch Prop Note DOD-4/21/92 26,917.17" at bk467p192

This is an example of making money disappear. A cash payment of approximately \$545,820.43 was made to the Estate on April 21, 1992, for the full payoff of the Lynch Note. But it was not reported. Only the interest of \$27,917.17 is reported. The note continues to be reported to the State and the IRS as late as April 10, 1995, as if it were still on schedule to mature on April 21, 1995. The Lynch Note disappears between the First and Second Estate Court Accounts without explanation.

Is there any authority in our Country who would find the CPA Joanne L. Barnes (EIN 541040148, SSN 579-44-3240?) and the Attorney Edward White who did this accounting at and have them show where the money went?
